

Rockwood Child Nutrition Services Procedure

Subject: Student Meal Charges

Area: School Cafeterias

Primary
Responsibility: School Manager

Purpose: To establish and provide consistency among all schools when a student charges a meal.

- Middle school and High school students are **not** allowed to charge a meal or additional items.
- Elementary school managers will send notices home on Tuesday of each week once an account balance reaches \$8.00 or less.
- Elementary school students will receive an alternate meal for Lunch and/or Breakfast if they have reached a balance of (-\$15.00) in meal charges.
Lunch will consist of an alternate entrée, fruit, vegetable, and 8 ounce milk.
Breakfast will consist of an alternate entrée and 4 ounce 100% juice and milk.
Students will be charged the meal price.
- If a student does not have adequate funds in their account, they will not be allowed to purchase extra items such as milk or water.
- Please note that payments made online through Nutrikids as an E-Check, can take up to seven days to clear and reach the student's account.
