

Calling all Crestview students...

The Crestview Award Program (CAP) needs your help!

We've revamped the program and now...

We'd like your design ideas for a program logo and a t-shirt.

So put your thinking cap on and get out your artist pencils to create what you'd like to see as a logo and/or t-shirt design!

We'd love to have a design blending a picture and the tag line: "Growing Tomorrow's Citizens". However, we're open to other suggestions on words to describe CAP.

Design parameters:

Logo: Limited to two colors. Size needs to be small - suitable for use on notecards, letters, and other communication materials.

T-Shirt: Limited to two colors on the design.

How to Enter:

Turn in your drawing on white paper to the office by the deadline. Be sure and print your first and last name, grade, and 1st hour teacher's name on the back of the paper.

Deadline:

Friday, September 9th
