

AS A LEADER IN THE ROCKWOOD COMMUNITY,

I am committed to helping our children achieve safe, healthy and independent futures. Rockwood youth depend on the collaboration of the Drug-Free Coalition, the school district and the community in order to receive the support they need to be citizens of good character who grow to contribute to our society.

THEREFORE, AS A ROCKWOOD COMMUNITY LEADER:

I pledge to take responsibility for my community and its youth by supporting a collaborative partnership with the Drug-Free Coalition to promote safe, healthy schools and neighborhoods for our children.
