Countdown to
 Green—

Only 1 Week
 to your **LAST**
 Tiger Folder!

Are you tired of wading through a sea of papers? Are you ready to get electrified? The school will transition to paperless Tiger Folder communications at the beginning of the 2nd semester. Should there be any documents that still need to be sent home manually, these will be sent via daily take home folders. **The last hard copy of the Tiger Folder will be sent home on Friday, December 17.**

Tiger Folder communication will continue via:

- Email notification sent out weekly via AlertNow;
- Front page of the school website:
www.rockwood.k12.mo.us/ellisville

In anticipation of the Tiger Folders going green, **please ensure that you are receiving AlertNow emails in your Inbox, not your Junk or Spam folders.** If you have not been receiving these weekly emails or if at any time during the year your email changes, please email Regina Napier at napierregina@rockwood.k12.mo.us and she will update the system. Thanks for your support of our school's efforts to be environmentally responsible. Save a tree. **Go Green!**
