

“Flat Stripes” Homeside Activity

Many of you have heard the story of “Flat Stanley” who travels the world . We thought it would be fun for Stripes, our school mascot, to travel with you this summer on your adventures. Please take this picture of Stripes with you where ever you may go and take your picture with it, showing where you are. Maybe you will travel with family to the beach, enjoy a day at Six Flags, or maybe just hang out with friends in the backyard.

When we return to school in August, please bring in your picture (no bigger than 4x6”) of you and Stripes to school by September 1st. Please also write your name on the back of your picture and where it was taken. An additional school wide activity will follow once school resumes in August.
