PTO Game Night

Uthoff Valley will host a game night on January 22 from 6:30-8:00. Activities will include Twister, Limbo, Jump Rope, Hula Hoops, and more. Attached to this week's ECHO is a reservation form for your FREE spot at this fun, family event! RSVP today!

Thank You – Power of 11 Cents

We received a thank you note for our participation in the Power of 11 Cents for Veteran's Day. This year \$460,000 was raised statewide to assist service members and their families of the National Guard and Reserves who are or have been called to active duty in support of the Global War on Terrorism. "Thank you for helping the men and women who stand up for our country when duty calls", said Stephen Danner, Brigadier General.

Thinking about the Science Fair?

Students interested in participating in the Rockwood School District Science Fair must have projects submitted to Mrs. DeBruin by February 12th at noon. Uthoff Valley staff will judge student science fair projects. First place projects will go on to the district level where they will be on display and judged at the District Olympic Event on February 27th from 9:00-3:00 at Rockwood Summit High School. First place district experiments can continue on to the Greater St. Louis Science Fair. Rockwood School District uses the same scoring guides as used by the Greater St. Louis Science Fair. E-fair projects are **HIGHLY** encouraged by the school, district, and greater St. Louis science fair committees. Please send in 2003 Powerpoint or PDF format.

To access scoring rubrics and other Greater St. Louis Science Fair information, click on the provided link: <http://www.sciencefairstl.org/>

If you have questions, please contact Mrs. DeBruin at debruinvickie@rockwood.k12.mo.us

ESOL

The ESOL newsletter is attached to this week's ECHO.

Dream Catchers Scholarships

The Dream Catcher scholarship applications from the Rockwood Schools Foundation is due by Tuesday, January 12 by 4 PM . The link to the web site is:
<http://www.rockwood.k12.mo.us/schoolsfoundation/Dream%20Catchers%20Downloads/Scholarship%20Application%20-%20Grades%204-8.pdf>

We do whatever it takes to ensure all students realize their potential.
