

## STUDENT PORTAL INFORMATION

Infinite Campus is Rockwood's web-based student system. One of the features of the system is a web PORTAL that provides parents and grade 6-12 students with system access to information such as assignments, grades and attendance. We believe that the system is a valuable tool and encourage both students and parents to use it to their advantage.

Students (grades 6-12) can access the Campus Portal by going to the Rockwood web site <http://www.rockwood.k12.mo.us/Parent/sis/index.htm> and clicking on the Campus LOGIN link. Another option is to enter the following web address in your browser address window: <https://campus.rockwood.k12.mo.us/campus/portal/rockwood.jsp>

Your Campus account information is provided below.

Your **User Name:** \_ \_ \_ \_ \_

10 digits; your student ID number with leading zeros at the beginning. As an example: 0000012345

Your **Password:** \_ \_ \_ \_ \_

6 digits; your birthday (mmddyy) two digits for month, two for day, two for year. As an example: 021593

Once in the system, you should change your password.

1. Go to Change Account Info on the left side of the main page
2. Type your old password
3. Type your new password twice

Passwords are case sensitive (in other words, if you enter it with CAPS lock on initially, you'll need to continue doing so any time you log in). New passwords must be at least 8 characters with at least one number. As an example: a new password could be rockwood7

### IMPORTANT!

**Change your password!** You should select a new password that you will remember. You should keep your password confidential. Please remember that system use is a privilege!
